

MASCA Supports the Second Chance Act

The MASCA Board took action to support the Second Chance Act as it was being considered by the US Senate. A letter of support was sent to Senate Majority Leader Harry Reid. The Senate has now passed The Second Chance Act by unanimous consent. The grants-to-states reentry bill passed the House in November by a vote of 347 to 62. With both Houses having passed the bill, The Second Chance Act moves to the White House for the President to sign into law. To see the letter of support.
